

Dear Patient

Pre-registration is optional before your appointment, this allows us to give you the best care possible and allows you to view clinical summaries of your visit along with being able to communicate with us securely through our EMR system. Also Bill Pay is available. Note the following before you click the link:

Register

1. The Following information is needed to register and must match the information you provided to us when you scheduled your appointment:
 - a. Username: (Free Form)
 - b. Create Password and Confirm Password
 - c. First Name:
 - d. Last Name:
 - e. Date of Birth:
 - f. Zip Code:
 - g. Your security code is: (call office)
 - h. Select the Terms and Conditions
 - i. Click the "Create Account" Button
2. Once the account is created, you will then be asked to answer 3 security questions to help protect your account.
 - a. *Hint: your answers can be the same; but the questions cannot be the same.*
 - b. Click "Continue" Button – this takes you into the MyPatientvisit dashboard.

Click here or on the link below to begin your patient portal registration.
